

Welcome to our virtual exhibition

Proposals for 480-510 Larkshall Road, Highams Park

Welcome

This virtual consultation is an opportunity for the local community to view our emerging proposals, engage with members of the project team and provide us with feedback on the plans before we submit a full planning application. We would welcome any feedback that you may have. Please take the time to consider the information contained on the boards and complete a feedback form under the feedback tab.

If you have any questions about our proposals, please do not hesitate to email us at **William.Day@becg.com** or phone **020 3219 7953**. The project team will be able to answer your questions live on **Tuesday 5th May** and **Wednesday 6th May, 5pm to 7pm**.

The proposals will provide a range of approximately 90 new homes, contemporary and flexible commercial spaces, a community facility as well as a new public train station entrance with other public realm improvements and amenities to deliver a wholly regenerative scheme for the Highams Park District Centre and people of Waltham Forest – as further outlined in the following boards.

Project team

Atlantis Real Estate – the developer

Stephen Davy Peter Smith – our architects

Savills – our planning consultants

BECCG – our community engagement consultants
